

# YURIKO OTORII

## FRONT-END DEVELOPER

📞 (604) 787 0421

✉️ [snp.ad.pnts@gmail.com](mailto:snp.ad.pnts@gmail.com)

📍 Vancouver, B.C.

## EXPERIENCE

### Volunteer

#### Data scraping

2020 sep - 2022 Mar

Volunteer work which part of the building an Angular App. Scraping data from a website using Python and Selenium, and arranging them by Pandas.

### Volunteer

#### Social networking service App (Front-end)

2021 Sep - now

Volunteer work for creating a social networking service App created by Angular (Same App as I mention above). Mainly in charge of front-end using HTML and SCSS. Occasionally write codes in Typescript.

## PROFILE

A co-op international student who would love to become a front-end developer. Passionate about solving problems and making our lives and work easier through programming.
